The Idolatry Of My People In Practicing The Wicked Christmas Holiday

“My son, Christmas is idolatry, the idolatrous practice of Nimrod’s birthday, the founder of the world. My son, have nothing to do with Christmas for it is pure idolatry. My Bible makes mention of it. The giving of gifts is pure idolatry, for people love stuff more than Me. Never in My Word does it mention practicing idolatry in service to Me; My birthday is not mentioned. My son, the shepherds gave their flocks out in the Spring—that was when I was born, not the winter in Israel. My son, do My will, send to all who practice the abominable practice of Christmas, their blood is on their hands. Never does it say in My Word to practice idolatry in service to Me. The covetousness of the world is idolatry, and shall be damned forever in Hell, for My wrath is upon it. The idolatrous practice of Christmas shall end, for I shall destroy the world and the sinners in it. Your LORD has spoken.”
